### A Writing a diary

Many people like to write a personal account of their daily lives.

Discuss this topic with the examiner.

***Use the following prompts, in the order given below, to develop the conversation:***

- whether you keep or would like to keep a diary, and why
- a famous person whose diary you would like to read, and why
- how people can benefit from writing down what happens in their lives
- why some people share their lives on social media rather than writing a personal diary
- the suggestion that people do not always write the truth, even in a private diary.

You may introduce **related** ideas of your own to expand on these prompts.

Remember, you are not allowed to make any written notes.
